Presenters

Peg Dawson, Ed.D., received her doctorate in school/child clinical psychology from the University of Virginia. She worked as a school psychologist for 16 years in Maine and New Hampshire, and, for the past 25 years has worked at the Center for Learning and Attention Disorders in Portsmouth, New Hampshire, where she specializes in the assessment of children and adults with learning and attention disorders. Achievement Award and a 2010 recipient of the International School Psychology Association Distinguished Services Award. *more online*

Dr. Gini Taylor is a private practice pediatrician from Denver, Colorado who is a passionate advocate for children with dyslexia. She began her professional career as a public high school science teacher, teaching advanced biology and health education for children with learning disabilities. For decades, she has continued her passion for teaching, presenting at multiple medical conferences, local hospital courses, and over the past several years, providing professional development on dyslexia for teachers in schools throughout the Denver Metro Area. She is a passionate advocate for dyslexics. *more online*
