

## **VOLUNTEER OPTIONS**

The So CA Tri-Counties Branch of IDA is one of 42 branches belonging to The International Dyslexia Association -- the national leading organization dedicated to improving reading skills such as dyslexia for the 1 in 20 people in our country who struggle with reading, writing, and spelling. Besides our meetings and webinars, we provide information and referrals to give solid information about how to help oneself or one's children. Volunteers are needed to help stock the Participants' Goodie Bags prior to our 2018 Annual Conference. We will meet in Downtown Riverside on Friday March 16<sup>th</sup> beginning at 1:30 pm.
