

INVITATION TO EXHIBIT

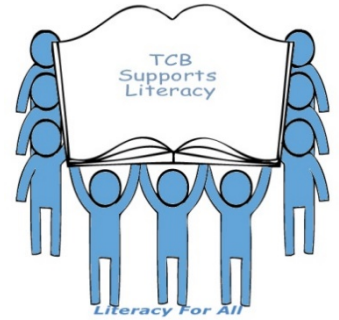

T.C.B.'S ANNUAL CONFERENCE

The Effect of Reading Comprehension on Unique Minds

A Conference on reading comprehension, autism, and dyslexia

April 10th, 2021

Prentice School, 18341 Lassen Drive, N. Tustin, CA

Dear Friend of Literacy,

We invite you to join us at TCB's annual conference, ***The Effect of Reading Comprehension on Unique Minds*** our 41st great literacy conference in Southern California.

As in past years, we are limiting our exhibitor space so that each exhibitor receives the greatest amount of exposure to participants. We are also limiting the number of exhibitors to enable each one to have the greatest exposure.

Our exhibit hall will open during registration from 8 to 9 am on Saturday morning. Each of the exhibitors' tables (size 6' x30") will have a table skirt and chair. The exhibit fee includes the Saturday coffee and snack break. You have the option of staying for the 15 minutes mini-break at 12:30pm. The fee is \$100 for one person and \$55 for each additional person at your table.

Our target population includes parents, early childhood caregivers, public or private school teachers, speech/language therapists, physicians, and psychologists. Our participants greatly appreciate exploring and purchasing educationally related materials. Schools and clinics often rely on conference recommendations in selecting materials. Individual teachers seek materials to use with students, to facilitate their own teaching, and to share with parents. Parents seek materials to use at home with their own children. Our Keynote speaker is Dr. Peter Mundy.

We encourage you to sign up early to ensure your spot! Tables are assigned in the order we receive the requests with payment. We are only accepting a limited number of exhibit tables this year.

Please feel free to contact me if you have any questions. My direct email is regina.richards@dyslexia-ca.org.

Sincerely,

Regina G. Richards, TCB Conference Chair
